

Washington Men's Gymnastics Team and Alumni Dinner

Saturday, October 3, 1:00 - 7:00 PM

Dave Nakanishi's House, Fidalgo Island

5944 Saratoga Lane, Anacortes WA

(directions at <http://wmgf.us>)

Help us celebrate 60 years of tradition, hard work and dedication that has led to our strongest team ever!

Alumni Dave Nakanishi has graciously opened his home on Fidalgo Island to us for a unique gathering of team, family, and alumni. Enjoy the outdoors with fishing, canoeing, kayaking or beach combing. We'll serve dinner, but bring a dish if you'd like. We like as many alumni as possible to attend along with the current team and their families. It's a rare chance for us all to cross paths, cross generations and appreciate all that we have contributed to make this one of a kind team!

Please let us know if you can attend — we look forward to a great time with all Huskies!
