Hello Friends and Supporters of Husky Men's Gymnastics!

As we prepare for another great gymnastics season I've been reflecting on the 36 years I have been involved with this program – where we have come from and where are we now – and I am amazed at how far we have come. And so much of where the team is now is because of you and your continuing support of Husky Men's Gymnastics.

Thanks to your continuing support, we have been able to offer scholarships to help with tuition costs, which has in turn enabled us to recruit gymnasts from other regions in addition to our own. This year we are fielding a team of 15 incredible gymnasts. They are working hard to become the most competitive team we have had yet. The upcoming season promises to be a good one – I hope you will be able to come cheer us on at one of the meets we will be competing in.

This past year was one of change for the team. As many of you know, Dr. Eric Hughes passed away on March 14th of this year. He was the Father of Men's Gymnastics at UW and a valued longtime member of our Board. He is greatly missed.

We also brought on a new Assistant Coach, Giancarlo Mora. He is an elite German-trained and educated gymnast. With his experience – a bachelor's degree in Men's Artistic Gymnastics, a Master's in International Instruction, and an international judging career – Giancarlo brings an energy to the team that will help take it to the next level.

Your generous support of this team reinforces our mission to create people of the highest standards of integrity, perseverance, and reciprocity, through the vehicle of gymnastics. It enables us to continue to grow, evolve, and become a stronger organization. The values that gymnastics and this program emphasize are a strong work ethic, a broader perspective of the world, and an intense commitment to team. The basis of this success today is the past experience you've had and continue to believe in. I urge you to continue to support this unique family of ours that is Washington Men's Gymnastics!

Sincerely yours,

A handwritten signature in dark ink, reading 'Mark Russo'.

Mark Russo
