October 27, 2018

Dear Alumni, Friends, and Family of our Husky Gymnasts!

Few things make me happier than to see people make their dreams come true. As a Washington Men's Gymnastics supporter, you know that you are helping our athletes' dreams and hopes come to reality every day in the gym by keeping our program alive and thriving.

We have 18 competitive gymnasts on our team this season. This is one of the largest teams we've ever had and we are on track to reach our ceiling of 20 gymnasts by next year. More and more high school seniors from across the country are eager to join our program.

That is why I am writing to you today, to ensure our ability to provide for the team's needs. Your generous donation will be utilized for a range of expenses such as athlete scholarships, competition uniforms, and travel costs for all gymnasts and coaches. In addition, you are a critical support to our operating budget which allows us to continue to provide top-quality coaching, rent for the facility where the team trains, and maintenance or upgrades to our equipment when needed.

While NCAA programs are at the mercy of their governing athletic departments, we are fortunate to be autonomous. We are 100% focused on our athletes and our program. However, our independence hinges on your support. We cannot continue to exist without you. As a volunteer-run nonprofit organization, the Washington Men's Gymnastics Foundation has very little overhead. Every dollar donated directly impacts the gymnasts on our team. Your donation is also tax-deductible.

Your help to the Washington Men's Gymnastics Foundation makes so much good; it means the world to our athletes. It is through its existence that our guys are able to compete against other funded Division I programs. None of this would be possible without your support. Let's keep our program strong and forward-focused. Please, donate today and allow us to continue to keep this fixture of men's collegiate gymnastics in the Pacific Northwest alive and well.

We appreciate your support,

A handwritten signature in black ink that reads 'Giancarlo Mora'. The signature is fluid and cursive, with the first name 'Giancarlo' being more prominent than the last name 'Mora'.

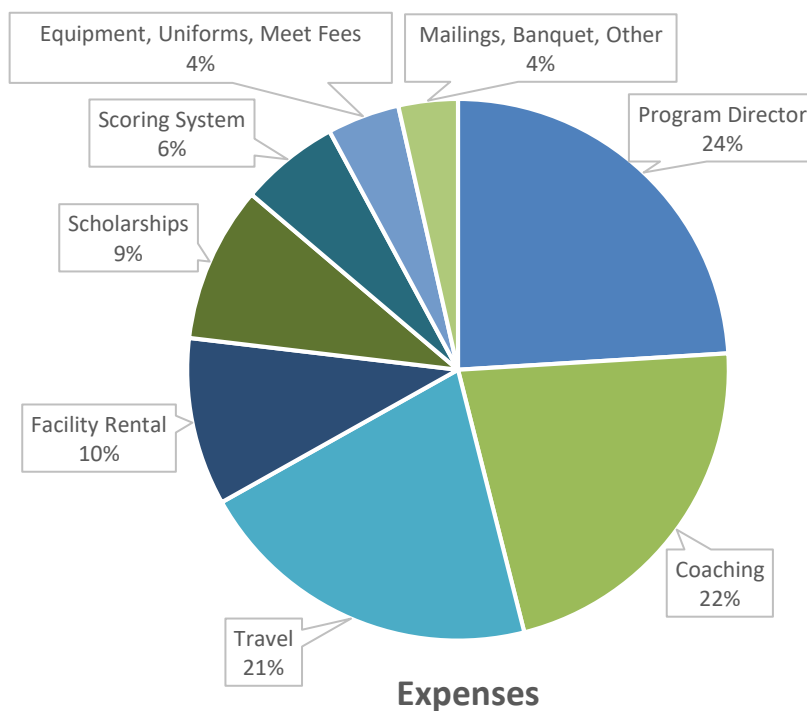

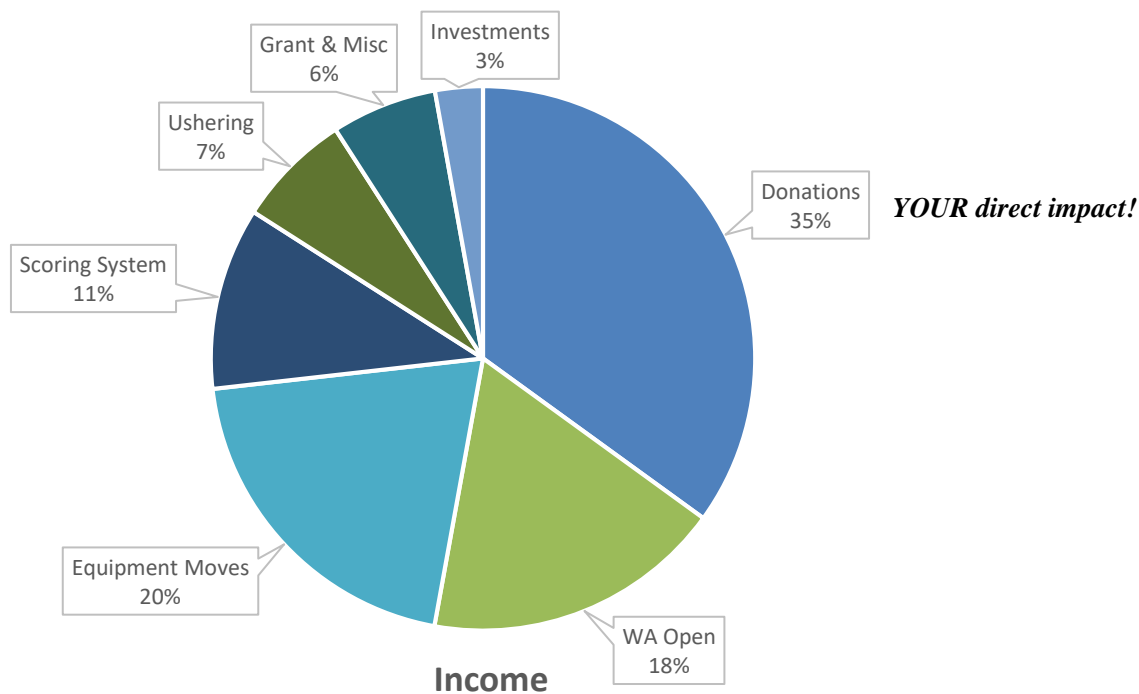

Giancarlo Mora, Head Coach
Washington Men's Gymnastics
