

Washington Men's Gymnastics Scholarship

Eligibility

The applicant must be a student at a university, college, or vocational college in the Seattle area.

When to Apply

Applications will be accepted all year. However, March 31st is the scholarship's application deadline for the following school year.

Returning gymnasts need to submit the scholarship application by Feb 28th.

How to Apply

1. First time applicants must submit an application form, an application letter, and three letters of recommendation.
 - Recommendation letters may be from a coach, teacher, minister, or employer but not from a relative. They may be submitted directly or included with your application letter.
 - The application letter should request consideration for the scholarship and state why you are applying.
2. Re-applying applicants only need to submit the application letter.

Award Criteria

A panel of three WMGF Board members will review all applications and make recommendations to the Board for final award. The following criteria, in no particular order, are used to consider whether to award a scholarship:

1. Financial need
2. Your gymnastics contribution
3. Year-specific criteria:
 - a. Second-year applicants: Your attendance at practices, competitions, and fundraising events during your first year. Priority and amount will favor gymnasts with excellent attendance.
 - b. Third-year applicants: Your leadership qualities with respect to the team. Priority and amount will favor gymnasts showing the ability to responsibly lead the team.
 - c. Fourth-year applicants: Your contribution to recruiting and your involvement with the WMGF Board or the gymnastics community (scoring system, judging, team representative, coaching). Priority and amount will favor gymnasts demonstrating a sustained commitment.

Award Requirements

Scholarships are paid at the end of each quarter. To receive payment, you must meet these ongoing requirements:

1. Passing grades for at least 12 credits
2. Attend all practices and team fund-raising events.
